TELECOMMUNICATIONS

IN THE MATTER OF THE PETITION OF WARWICK)	ORDER OF APPROVAL
VALLEY TELEPHONE COMPANY FOR A)	
REVISION OF TARIFF PUC N.J. NO. 5. – TO)	
INTRODUCE CALLER ID WITH CALL WAITING)	DOCKET NO. TT04030182

(SERVICE LIST ATTACHED)

On March 11, 2004, Warwick Valley Telephone Company (Warwick) filed a petition with the Board of Public Utilities (Board) to revise its tariff PUC-N.J. No.5 to introduce Caller ID with Call Waiting. This service requires that the customer also subscribe to Call Waiting service. It enables a customer engaged on a call to be informed, through Caller ID, of an incoming call and provides the caller's name. The customer then may choose to answer the incoming call or stay on the line with the first caller.

Warwick has provided information indicating that the price for this service (\$6.00/month for residence and \$8.00/month for business) is sufficient to cover resource costs and to make a contribution to common costs.

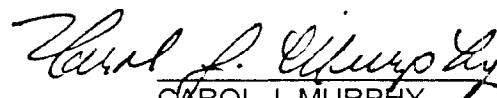

The proposal therefore has no adverse affect on Petitioner's ability to provide safe, adequate or proper service. Thus, the Board HEREBY APPROVES Warwick's petition.
